EcoVadis: Provider of business sustainability ratings

ACTIV bicompact

Ultra concentrated laundry detergent

High performance | Long lasting perfume | Ultra concentrated

Product profile

- ACTIV bicompact ensures a high washing performance even at 20°C allowing to save up to 60 % electricity costs and time due to shorter washing cycles. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Thanks to its oxygen-based bleaching agent and exclusive formulation with a stain removing complex based on a quintuple bio-enzyme system, ACTIV bicompact provides outstanding cleanliness and intense freshness.
- Meanwhile enhancing the work safety, ACTIV bicompact offers a very convenient refillable and reusable eco-drum, which can be stocked and closed while guaranteeing an easy handling.
- Majorly composed of renewable resources, ACTIV bicompact takes on the responsibility for future generations.

Area of application

- ACTIV bicompact is suitable for all white and colored clothes (excepting wool and silk), both for machine and hand washing.
- ACTIV bicompact is a double concentrated powder – 10 kg equates to 20 kg of a traditional detergent. With a minimum dosage of 5g/kg dry linen it is possible to wash up to 2 tons dry linen (soft water/low soil level).

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Product variants

716249 - 1 x 10 kg bag
1116500 - 1 x 10 kg box

pH value 0,5%
