EcoVadis: Provider of business sustainability ratings

ACTIV intense

High performing laundry detergent – long-lasting fragrance

Fresh scent | Whiteness from 30°C | EU-Ecolabel certified

Product profile

- ACTIV intense is a specially designed detergent for all textiles providing bright white linen and fresh scent.
- The combination of biodegradable surfactants and sequestering agents enables an effective cleaning of all textiles even in low temperatures (from 30°C to 60°C) and contributing to an efficient washing result.
- With its natural enzymatic formula ACTIV intense delivers bright white linen and easily removes almost all kinds of stains.
- Its carefully selected fragrance according to the EU-Ecolabel criteria provides the textiles with a long-lasting fresh scent.
- ACTIV intense is certified with the EU Ecolabel and the formulation contains a high content of renewable ingredients and a plant-based surfactant system.
- Mainly composed of renewable sources, ACTIV intense takes on the responsibility for future generations.

Area of application

- Suitable for all textiles (except wool and silk) and for all types of professional or domestic washing machines.
- ACTIV intense is a concentrated powder.
