**DIN ISO 50001**: Internationally recognized energy management system

**DIN ISO 9001**: Internationally recognized quality management system

**EcoVadis**: Provider of business sustainability ratings

# **ACTIV** liquid

# Liquid detergent

High performance | Long lasting perfume | High material compatibility

# **Product profile**

- ACTIV liquid is a universal detergent concentrate ensuring a high washing performance even at 30°C. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- ACTIV liquid offers highest material compatibility and as it is free of bleaching agents it is applicable to white and colored fabrics.
- ACTIV liquid contains natural aloe vera extracts.
- Majorly composed of renewable resources, ACTIV liquid takes on the responsibility for future generations.
- ACTIV liquid is part of the Ecolabel certified ECOMPLETE SYSTEM (DE/o39/oo7) in combination with SYSTEM alca, SYSTEM oxybleach and SOFT nature.

## Area of application

- ACTIV liquid is suitable for all type of textiles and all temperatures.
- Use ACTIV liquid according to the dosage instructions and wash the clothes without prewash (depending on the water hardness and degree of soiling of the laundry). The water hardness can be provided by your local water company.
- ACTIV liquid is specially developed to be used on microfiber textiles.
