EcoVadis: Provider of business sustainability ratings

ACTIV performa

High performing laundry detergent for bleaching and degreasing

Enzymatic | Strong stain remover | EU-Ecolabel certified

Product profile

- ACTIV performa is a specially designed detergent for all textiles for the removal of persistent stains and greases, providing bright white linen.
- The combination of biodegradable surfactants and sequestering agents enables an effective cleaning of all textiles also in high temperatures (from 60°C) by removing all kinds of stains (wine, tea, coffee, lipstick, etc.) contributing to an efficient washing result.
- With its natural enzymatic formula ACTIV performa removes deeply incrustrated food stains such as egg, fat, blood, etc.
- ACTIV performa is certified with the EU Ecolabel and the formulation contains a high content of renewable ingredients and a plant-based surfactant system.
- Mainly composed of renewable sources, ACTIV performa takes on the responsibility for future generations.

Area of application

- Suitable for all textiles (except wool and silk) and for all types of professional or domestic washing machines.
- ACTIV performa is a concentrated powder.
