ACTIV tabs

High performance, ecological laundry tabs

Easy dosing | Long lasting freshness | For all fabrics

Product profile

- The formula of ACTIV tabs has been designed to reduce the risk of allergic reactions. Due to selected perfumes it is ideal for sensitive skin. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, ACTIV tabs shows excellent cleaning results. With only one product applied at lowest dosage it ensures highest performance for all white and colored fabrics.
- Majorly composed of renewable resources and free of phosphates, ACTIV tabs takes on the responsibility for future generations.

Area of application

- ACTIV tabs are suitable for all white and colored fabrics (excepting wool and silk) in washing machine laundry. They perform already at a washing temperature of 30°C.
- When washing delicates, use a specific detergent. Always watch for instructions mentioned on clothing. Contact your water distributor company for information about the hardness of your water.
- If you are allergic to house dust, always wash bedding at 60°C. Increase wash temperature to 60°C in case of infectious diseases.
