

# BIOBACT clean

## Biotechnological all-purpose cleaner

### Sustainability Information

#### Sustainable Contribution

- Certified with the European Ecolabel (DE/020/385)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- BIOBACT clean with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- BIOBACT clean is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# BIOBACT clean

## Biotechnological all-purpose cleaner

Cleaning efficiency | Long-lasting cleanliness | Material friendly

### Product profile

- BIOBACT clean is a pH-neutral cleaning detergent which cleans and eliminates bad odours in one step.
- Instead of simply masking bad odours, BIOBACT clean effectively breaks down organic substances, such as urine and food residues which are the root cause of foul-smelling environment. The added perfume leaves a pleasant scent in the room.
- The regular use of BIOBACT clean even prevents from new build-up of organic dirt (such as cellulose, grease, proteins, and starch).
- By the complete abandonment of hazardous ingredients, BIOBACT clean is a material friendly all-purpose cleaner for frequently used areas, waste management, public toilets / buildings.
- Made of 100% natural microorganisms, BIOBACT clean is safe in use and for the environment.
- BIOBACT clean comes in a highly sustainable bottle made of 100% recycled plastic sourced from the „Yellow bag” (post-consumer recycle).

### Area of application

- Ideally suitable for all water resistant floorings and surfaces, e.g. tiles, rubber, linoleum, PVC and ceramic in bath and sanitary areas. It can also be used in gyms, locker rooms or other areas where odour control cleaning is needed.
- Shake well before use.
- NOTE: Do not mix with disinfectants, bacteriological products, strongly alkaline or acid liquids. This will significantly reduce its effect.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Sales units:

716817 - 10 x 1 l

pH value

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Shake before use.

250 ml/l

#### Initial cleaning

Start with 250 ml/L in the first 2-3 days.

10-50 ml/l

#### Maintenance and odour control cleaning

Swab the surface with a damp cloth or mop.

10-50 ml/l

10-50 ml/l

#### Floor cleaning

Can be applied manually or with auto scrubbers.

10-50 ml/l

#### Surface cleaning

Wipe the surface wet or damp with a clean cloth. Leave surface wet. Allow solution to work.
