## Scouring Cream

### Sustainability Information

#### Sustainable Contribution

- Certified with the European Ecolabel (DE/020/381)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- CREAM cleaner with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 45% of organic carbon processed in CREAM cleaner originates from renewable plant resources

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- CREAM cleaner is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# CREAM cleaner

## Scouring Cream

Powerful cleaning | Material friendly | 75% European rapeseed oil surfactants

pH value

### Product profile

- CREAM cleaner is an ecologically formulated scouring cream for hard surfaces in the sanitary and food processing sectors. It ensures powerful cleaning due to 75% European rapeseed oil-based surfactants, while respecting the biological cycles, caring for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety – it is compared to current products less aggressive to hands -, it quickly removes persistent soiling/scaling without scratching the surface thanks to the optimized fine granularity of the marble powder and without microplastics.
- Low cost-in-use - in contrast to other cleaners, only a small amount of the product is needed.
- Majorly composed of renewable resources, CREAM cleaner takes on the responsibility for future generations.

### Area of application

- CREAM cleaner is ideal for cleaning all ceramic, enamelled and stainless steel surfaces in kitchens and sanitary areas.
- CREAM cleaner is gentle on skin and surfaces and is especially designed for use against ingrained dirt on glass surfaces, glass ceramics and induction hobs.
- Care should be taken with sensitive plastic surfaces: glossy surfaces can become dull, matt surfaces can become polished.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Sales units:

**715778** - 10 x 500 ml

**715777** - 10x 500 ml

**715776** - 10 x 500 ml
