ENERGY alu

Metal safe dishwashing detergent

Material friendly | Soft/medium hard water | Concentrated

Product profile

- ENERGY alu is a liquid concentrated dishwashing detergent for professional dishwashing and as well for pre-soaking. It has an excellent cleaning efficiency especially in soft to medium hard water.
- Meanwhile enhancing the work safety, it ensures an intensive and powerful removal of grease-, starch-, protein residues as well as incrustations.
- It has a highly concentrated formula for low dosing.
- Majorly composed of renewable resources, ENERGY alu takes on the responsibility for future generations.
- It is free of NTA, EDTA, phosphates and chlorine.

Area of application

- ENERGY alu is suitable for all types of dishwashing machines e.g. big ribbon and single-tank machines.
- It is very suitable for sensitive materials such as aluminum, silver, non-ferrous materials as well as stainless steel, plastics and porcelain.
- Use in combination with BRILLANT perfect.

Ingredients, handling, storage and environmental instructions
