ENERGY gel All-in-One

Dishwashing gel

Ecolabel certified | Small domestic dishwashers | All-in-One function

pH value

10

Product profile

- ENERGY gell All-in-One is a dishwashing detergent for small domestic dishwashers, particularly for use in small kitchens, kitchenettes, bars, etc.
- Effective even on stubborn dirt and encrustations, and suitable for dishes, pots and pans. It is also ideal for glass.
- ENERGY gel All-in-One dissolves quickly, making it ideal for short wash cycles.
- It can be dosed flexibily, depending on level of dirt.
- Formula with limonene extract and all-in-one function: cleaning, rinse aid and salt function.
- ENERGY gel All-in-One respects biological cycles and contributes to responsible behavior towards future generations.

Area of application

- Fill ENERGY gel All-in-One into the dishwasher´s dispenser container.
- Individual dosage depending on level of dirt, also ideal for short wash programmes.
- Add salt and rinse aid if necessary or if the water hardness is 21°dH or higher.
- Not suitable for: wooden items, dishes decorated with gold or silver, silver cutlery, aluminium, crystal or hand-painted porcelain.

Ingredients, handling, storage and environmental instructions
