

GLASS cleaner

Glass & window cleaner

Sustainability Information

Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/384)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of ‚DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- GLASS cleaner with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 71% of organic carbon processed in GLASS cleaner originates from renewable plant resources

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- GLASS cleaner is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO^2 and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

GLASS cleaner

Glass & window cleaner

Increased user safety | High performance | Streak-free

pH value

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

concentrated

Glass & window cleaning
Spray onto a clean and lint free cloth and wipe the surface.

Product profile

- GLASS cleaner is a glass and window cleaner with exceptional environmental properties, which is based on fermentation ethanol (spirits). Respecting biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, the extraordinary power of GLASS cleaner assures cleaning performance with minimal efforts and costs.
- Whilst the pH neutral formulation is gentle to skin, GLASS cleaner easily removes grime, grease and nicotine sediments from all glass and mirror surfaces.
- The product saves time and effort by drying quickly and without leaving streaks, keeping the material's original shine.
- Majorly composed of renewable resources, GLASS cleaner takes on the responsibility for future generations.

Area of application

- GLASS cleaner is suitable for all glass and mirror surfaces indoors and outdoors, such as windows, mirrors and glass cabinets.
- GLASS cleaner is also suitable for inox as well as stainless steel.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.
