GREASE off Quick&Easy

Universal kitchen degreaser

Powerful | Easy application | Economic

Product profile

- Thanks to its special surfactant combination, GREASE off Quick & Easy is high performing and achieves outstanding degreasing properties, allowing even to remove persistent soilings in food processing areas.
- As part of the Quick & Easy portable dosing system, the highly concentrated degreaser combines outstanding performance with minimum efforts and low cost in use.
- Being CLP-free in application, it offers maximum user-safety.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.
- With its EU Ecolabel and Cradle to Cradle certification, this deagreaser responds to the increasing requirements for the preservation of the environment.

Area of application

- GREASE off Quick & Easy is ideally suitable for use on all water- and alkali resistant surfaces in kitchens and other food processing areas. Suitable for use in food processing areas such as kitchen counters, cutting machines, refrigerators, wash basins, kitchen devices, vapor hoods, ovens, microwaves, convection ovens, etc.
- Do not use on alkali-sensitive surfaces.
- Do not use on aluminum or brass.
- For our Quick & Easy system we recommend to change water after 24 hours.
