EcoVadis: Provider of business sustainability ratings

GREASE perfect

Kitchen degreaser

Fast & efficient | Flexible usage | Perfume-free

Product profile

- GREASE perfect solves oil and greasy stains fast and efficiently on all water and alkali-resistant surfaces and flooring. Due to its mild alkalinity, it can be used on multiple surfaces while keeping high degreasing action.
- Meanwhile enhancing the work safety, it achieves very good results when used on stubborn incrustations. In particular for stove and grill areas.
- It is free of perfume.
- GREASE perfect offers a refillable spray bottle.
- Majorly composed of renewable resources, and due to its specific conception, which makes the use of this product suitable for food processing areas, GREASE perfect takes on the responsibility for future generations.

Area of application

- GREASE perfect is suitable for use in food processing areas such as kitchen counters, cutting machines, refrigerators, wash basins, kitchen devices, vapor hoods, ovens, microwaves, convection ovens, alkali-resistant flooring, etc.
- It is also excellent for cleaning of plastic surfaces like e.g. window frames and doors.

Ingredients, handling, storage and environmental instructions
