

GREASE power

High performance kitchen degreaser

Sustainability Information

Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (AT/o2o/o12)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- 25% of organic carbon processed in GREASE power originates from renewable plant resources

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- GREASE power is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO² and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

GREASE power

High performance kitchen degreaser

Fast | Easy usage | Efficient

Product profile

- GREASE power degreases easily alkaline resistant surfaces without leaving residues.
- GREASE power can be used on various surfaces and equipment, making working easier with one single product.
- GREASE power is easy to use and can be applied manually and mechanically (e.g. with sprayer or foam pistols).
- Meanwhile enhancing the work safety, it achieves very good results when used on stubborn incrustations. In particular for stove and grill areas.
- GREASE power offers a refillable spray bottle.
- Majorly composed of renewable resources, and due to its specific conception, which makes the use of this product suitable for food processing areas, GREASE power takes on the responsibility for future generations.

Area of application

- GREASE power is suitable for use in food processing areas such as kitchen counters, cutting machines, refrigerators, wash basins, kitchen devices, vapor hoods, ovens, microwaves, convection ovens, alkali-resistant flooring, etc.
- Also suitable for (most of) the convection and steam oven with an integrated washing system.
- Not suitable for aluminum, enamel and non-alkaline resistant surfaces.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Product variants

- 713654** - 2x 5 l
713638 - 10 x 750 ml
713639 - 10x 750 ml
713637 - 10x 750 ml
714637 - 10x 750 ml
713619 - 10x 750 ml

pH value

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Manual application:
Can be used on metal surfaces.

concentrated

Degreasing & surface cleaning:

Can be used in warm & steam ovens or grills.

Spray cleaning:

Spray directly or onto a suitable cloth and wipe the surface. Rinse with water.
