DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

GREASE superclean

Multi-purpose kitchen cleaner

Universal use | Easy to rinse | Plant-based ingredients

Product profile

- The efficient and fast acting formulation is specially dedicated for the use in food processing areas, while caring for the preservation of the quality of different surfaces.
- GREASE superclean is majorly composed of plant-based ingredients including cleaning agents sourced from sugar and soap sourced from coconut fats providing low-foaming characteristics for an optimized usage with auto-scrubbers.
- The innovative ingredient combination results in remarkable wetting, degreasing and cleaning of various surfaces.
- GREASE superclean prevents smeary residues providing uniform and reliable results.
- The soft orange scent makes the application particularly pleasant.

Area of application

- GREASE superclean is suitable for all waterproof floors, surfaces and furnishings in food processing areas.
- GREASE superclean can be used with manual cleaning and cleaning machinery.
- GREASE superclean is not suitable for unsealed wood.
