

LINAX complete

Ultra-performance floor stripper

Sustainability Information

Sustainable Contribution

- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- LINAX complete with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- LINAX complete is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO₂ and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

LINAX complete

Ultra-performance floor stripper

Effective | Fast action | No rinsing

Product profile

- LINAX complete is an ultra-performance floor stripper with the Austrian Ecolabel and is suitable to strip any kind of polymer dispersion, also it is ideal for stripping LONGLIFE complete.
- LINAX complete works extremely powerful also in case of persistent care films or strong over treated floorings and can be used on alkali-sensitive floorings as well.
- No rinsing and neutralizing of the floor necessary, which saves time and natural resources.
- LINAX complete ensures increased safety due to non-skid properties during stripping.
- LINAX complete respects biological processes and thus contributes to act responsibly to future generations.

Area of application

- LINAX complete is suitable for the universal use on all water-resistant flooring. It is specially suitable for the stripping of elastic floors such as PVC, linoleum, caoutchouc and other special plastic materials, as well as special hard floors such as stone and sealed wooden flooring.
- LINAX complete can be used with the spray-cleaning-method on oiled, waxed or sealed wood floorings.
- Not to be used on laminate and cork.
- Only use in well-ventilated areas. Ensure that there is good ventilation of the area during and after the cleaning process.
