

LINAX stripper

Universal Floor Stripper

Sustainability Information

Sustainable Contribution

- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- LINAX stripper with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- LINAX stripper is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO₂ and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

LINAX stripper

Universal Floor Stripper

Universal | Safe | Cost-efficient

Product profile

- LINAX stripper is an universal floor stripper with exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, LINAX stripper is safe on sensitive materials and has a low impact on indoor air quality, which makes the removal of old polymer layers even more user safe.
- This cost-efficient product works ideally in a system with LONGLIFE polish. It effortlessly removes even multilayer LONGLIFE polish polymer coatings.
- By the complete abandonment of hazardous ingredients such as phosphates, EDTA, NTA, perfume and colour, LINAX stripper takes on the responsibility for future generations.

Area of application

- LINAX stripper is suitable for universal use on all water resistant floorings. Especially suitably on all flexible floor materials such as PVC, linoleum, caoutchouc and other special plastic / rubber materials as well as on hard floors (e.g. stone and sealed wooden floors).
- Not to be used on unsealed wooden floors, laminate and cork.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Sales units:

1112515 - 2 x 5 l

pH value

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

100-200 ml/l

Deep cleaning

Apply on the floor (max. 50m² at once), leave for 10 min.

Clean the floor with a single disk machine and a green pad or a scrubbing brush.

Remove the dirt and old polymer layers using a water-suction cleaner. Rinse with clean water.

80 ml/l

Top stripping

Spray on floor and treat with a single disk machine and a suitable pad.

50 ml/l

Intensive cleaning

Can be used in scrubber dryer machines.
