

# LINAX stripper

## Universal Floor Stripper

### Sustainability Information

#### Sustainable Contribution

- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- LINAX stripper with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- LINAX stripper is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# LINAX stripper

## Universal Floor Stripper

Safe application | Easy-to-use | Viscous consistency

### Product profile

- LINAX stripper is an universal floor stripper with exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, LINAX stripper is safe on sensitive materials and has a low impact on indoor air quality, which makes the removal of old polymer layers even more user safe.
- This cost-efficient product works ideally in a system with LONGLIFE polish. It effortlessly removes even multilayer LONGLIFE polish polymer coatings.
- By the complete abandonment of hazardous ingredients such as phosphates, EDTA, NTA, perfume and colour, LINAX stripper takes on the responsibility for future generations.

### Area of application

- WC liquid is suitable for the cleaning of all toilet bowls, urinals and bidet facilities made of ceramic. Not suitable for acid-sensitive surfaces such as marble, lime stone, enamel (especially zircon enamel), acid-sensitive plastic toilet seats and lids as well as acid-sensitive wall and/or floor tiles.

### Ingredients, handling, storage and environmental instructions
