MANUDISH sensitive

Manual dishwashing liquid

Effective | Skin friendly | CLP-free

Product profile

- MANUDISH sensitive is an ecological, intensive cleaning dishwashing detergent. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- CLP-free due to its particular tenside composition for highest user safety while ensuring high effectiveness.
- The complete abandonment of perfume and dye ensures highest standards for effective and discreet dish washing results.
- Dermatologically tested with caring urea for a skin friendly use and highest end user tolerance.
- Majorly composed of renewable resources, MANUDISH sensitive takes on the responsibility for future generations.

Area of application

- MANUDISH sensitive is used for manual dishwashing.
- Not suitable for dishwashers.
