

# SANET alkastar

Sanitary cleaner with care effect

## Sustainability Information

### Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/385)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of ,DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- SANET alkastar with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 61% of organic carbon processed in SANET alkastar originates from renewable plant resources

### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SANET alkastar is formulated from readily biodegradable raw materials

### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

### Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SANET alkastar

## Sanitary cleaner with care effect

Powerful degreasing | High material compatibility | Low cost-in-use

pH value

### Product profile

- SANET alkastar is an alkaline sanitary maintenance cleaner, which is free of acids and chlorine. This makes the product exceptionally material and environmental friendly. Respecting biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety and despite its material compatibility, SANET alkastar shows outstanding cleaning performance especially against oily and greasy soiling in acid-sensitive sanitary areas.
- Effortless cleaning procedures and low product consumption increase productivity.
- Majorly composed of renewable resources, SANET alkastar takes on the responsibility for future generations.

### Area of application

- SANET alkastar is suitable for all water-resistant surfaces, e.g. enamel, chrome, porcelain, ceramic tiles, plastic and painted surfaces as well as marble.
- Also applicable on plastics (e.g. acrylic glass, polyamide, Corian), on partition walls, wash basins, shower walls, furniture, coverings, armatures, as well as coloured fittings, door handles, handrails and banisters.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Sales units:

**712471** - 10 x 1 l

**712472** - 2 x 5 l
