DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

SANET daily Quick&Easy

Sanitary maintenance cleaner

Powerful | Effective against lime soap | Pleasantly fragranced

Product profile

- SANET daily Quick & Easy is suitable for the daily cleaning of bathrooms and sanitary areas.
- Thanks to its foaming properties this sanitary maintenance cleaner adheres well on surfaces.
- It is based on lactic acid which is ideally suited to solve water stains.
- This product is particularly suitable for the removal of lime soap and leaves a pleasant lemon scent after application.
- As part of the Quick & Easy portable dosing system, this sanitary maintenance cleaner combines outstanding performance with minimum efforts and low cost.
- Being CLP-free in application, it offers maximum user-safety.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area for example tiles, chromed fittings, porcelain, stoneware, etc. Not suitable for natural stones (e.g. marble) and acid-sensitive enamel.
- For our Quick & Easy system we recommend to change water after 24 hours.

Ingredients, handling, storage and environmental instructions
