- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SANET daily Quick&Easy

## Sanitary maintenance cleaner

Powerful | Effective against lime soap | Pleasantly fragranced

### Product profile

- SANET daily Quick & Easy is suitable for the daily cleaning of bathrooms and sanitary areas.
- Thanks to its foaming properties this sanitary maintenance cleaner adheres well on surfaces.
- It is based on lactic acid which is ideally suited to solve water stains.
- This product is particularly suitable for the removal of lime soap and leaves a pleasant lemon scent after application.
- As part of the Quick & Easy portable dosing system, this sanitary maintenance cleaner combines outstanding performance with minimum efforts and low cost.
- Being CLP-free in application, it offers maximum user-safety.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.

### Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area for example tiles, chromed fittings, porcelain, stoneware, etc. Not suitable for natural stones (e.g. marble) and acid-sensitive enamel.
- For our Quick & Easy system we recommend to change water after 24 hours.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Sales units:

713601 - 6 x 325 ml

### pH value

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

#### predefined dosing

**Sanitary cleaning**  
Spray directly or onto a suitable cloth. Allow short action time and wipe with clean cloth.

#### Bottle change

**Concentrate bottle change**  
Remove cartridge and spray 2-3 times to avoid product residues.
