SANET daily zero% Quick&Easy

Sanitary maintenance cleaner

Powerful | Effective against lime soap | Perfume & dye free

Product profile

- SANET daily zero% Quick & Easy which contains no perfume or dye, is suitable for the daily cleaning of bathrooms and sanitary areas.
- Thanks to its foaming properties this sanitary maintenance cleaner adheres well on surfaces.
- It is based on lactic acid which is ideally suited to solve water stains.
- This product is particularly suitable for the removal of lime soap.
- As part of the Quick & Easy portable dosing system, this sanitary maintenance cleaner combines outstanding performance with minimum efforts and low cost.
- Being CLP-free in application, it offers maximum user-safety.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area for example tiles, chromed fittings, porcelain, stoneware, etc.
- Not suitable for natural stones (e.g. marble) and acid-sensitive enamel.
- For our Quick & Easy system we recommend to change water after 24 hours.

Ingredients, handling, storage and environmental instructions
