

# SANET ecostar

## High performance sanitary cleaner and descaler

### Sustainability Information

#### Sustainable Contribution

- Certified with the European Ecolabel (DE/020/382)
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- SANET ecostar with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 58% of organic carbon processed in SANET ecostar originates from renewable plant resources

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SANET ecostar is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sub>2</sub> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SANET ecostar

## High performance sanitary cleaner and descaler

Supreme lime dissolving | Extremely fast | Natural easy to clean effect

### Product profile

- With its innovative formulation SANET ecostar reaches proven top scores in terms of lime dissolving and removes
- lime deposits and incrustations ecostarly fast.
- Also typical soilings in the sanitary area such as lime soap, urine scale, cosmetic residues or rust are removed effortlessly.
- A natural easy-to-clean effect is reached by effective and residue-free removal of mineral and organic soilings. Thus water can run off consequently from sanitary objects, fittings and surfaces.
- Makes sanitary surfaces shine without reworking
- By its material tolerant formulation SANET ecostar contributes to a value-preserving cleaning of all typical fixtures and fittings such as chrome fittings, ceramic tiles, porcellaine objects etc.
- SANET ecostar offers all the benefits of an effective, economic and time-saving sanitary cleaner.
- Its pleasant fragrance provides freshness in the sanitary room.
- The cap of SANET ecostar consists of 100% recyclate (rHDPE), its inclined spout enables a convenient usage.

### Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area, for example tiles, chromed armatures, porcelain, stainless steel, stoneware, rubber tiles etc.
- Not suitable for acid sensitive natural stones (e.g. marble) and acid sensitive surfaces such as enamel and Polyamid.
- Test material compatibility before use, particularly on plastics. Rinse with fresh water, particularly if used in concentrated application.

### Ingredients, handling, storage and environmental instructions
