DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

SANET extreme F

High performance sanitary cleaner and descaler

Supreme lime dissolving | Extremely fast | Natural easy to clean effect

pH value

Product profile

- High performance sanitary cleaner without color and perfume.
- With its innovative formulation SANET extreme F reaches proven top scores in terms of lime dissolving and removes lime desposits and incrustations extremely fast.
- Also typical soilings in the sanitary area such as lime soap, urine scale, cosmetic residues or rust are removed effortlessly.
- A natural easy-to-clean effect is reached by effective and residue-free removal of mineral and organic soilings. Thus water can run off consequently from sanitary objects, fittings and surfaces.
- Makes sanitary surfaces shine without reworking.
- By its material tolerant formulation SANET extreme F contributes to a value-preserving cleaning of all typical fixtures and fittings such as chrome fittings, ceramic tiles, porcellaine objects etc.
- SANET extreme offers all the benefits of an effective, economic and time-saving sanitary cleaner.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area, for example tiles, chromed armatures, porcelain, stainless steel, stoneware, rubber tiles etc.
- Not suitable for acid sensitive natural stones (e.g. marble) and acid sensitive surfaces such as enamel and Polyamid.
- Test material compatibility before use, particularly on plastics. Rinse with fresh water, particularly if used in concentrated application.

Ingredients, handling, storage and environmental instructions
