

# SANET lavocid

## Sanitary maintenance cleaner

### Sustainability Information

#### Sustainable Contribution

- Certified with the European Ecolabel (DE/020/382)
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- SANET lavocid with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 87% of organic carbon processed in SANET lavocid originates from renewable plant resources

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SANET lavocid is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SANET lavocid

## Sanitary maintenance cleaner

Fresh fragrance | Non-viscous | Natural citric acid

### Product profile

- SANET lavocid effectively removes lime scale, lime soap, water stains and dirt.
- SANET lavocid allows a simple and fast application due to the 1L bottle with angular nozzle.
- SANET lavocid has a very good emulsifying capacity on oily and greasy soils leaving no streaks.
- Because of its versatile usage possibilities, SANET lavocid is highly economical.
- SANET lavocid is based on natural citric acid.
- Its fresh and unique fragrance underlines the perfect cleaning result.

### Area of application

- Suitable for all acid-resistant surfaces in the bathroom and sanitary area. Do not use on marble and other acid-sensitive materials such as enamel.

### Ingredients, handling, storage and environmental instructions
