EcoVadis: Provider of business sustainability ratings

SANET natural

Sanitary Cleaner Vinegar

High performance | Natural power of vinegar | Streak-free

Product profile

- SANET natural is an acid sanitary maintenance cleaner, which effectively uses the natural acid of vinegar. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- The sustainable acetic acid is obtained from certified wood and comes from an innovative biorefinery.
- Meanwhile enhancing the work safety, SANET natural shows outstanding cleaning performance in low use concentrations and easily removes lime scale, lime soap, water stains and dirt.
- It effectively eliminates unpleasant odours and leaves surfaces free of streaks and clouding.
- By the complete abandonment of hazardous ingredients, SANET natural takes on the responsibility for future generations.

Area of application

- SANET natural is suitable for the use on all acid-resistant surfaces in sanitary areas.
- Do not use on marble or other acid-sensitive materials or non-diluted on artificial (plastics) materials.
- Do not use with hot water.
- Rinse off product from metal surfaces with clear water.
