

SANET spray

Ready-to-use sanitary maintenance cleaner

Sustainability Information

Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/382)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of ‚DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- SANET spray with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard
- 94% of organic carbon processed in SANET spray originates from renewable plant resources

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SANET spray is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO^2 and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

Product profile

- SANET spray is a high-performing ready-to-use cleaner for the removal of all common soilings in the sanitary areas, e.g. lime scale, lime soap, greasy and cosmetic residues.
- SANET spray is simple in application, saves time and costs and protects the material.
- Thanks to intensive and refreshing perfume, SANET spray leaves a long-lasting and clean scent.
- Majorly composed of renewable resources, coming in a bottle made of 100% recycled plastic, SANET spray takes on the responsibility for future generations.
- The environmental-friendly and effective composition of SANET spray allows it to be used safely throughout the entire bath and sanitary area, e.g. hotels, office buildings, public and private facilities.

Area of application

- SANET spray is ideally suitable for maintenance cleaning of wash basins, fittings, tiles, ceramics, showers, etc.
- The product can be used on ABS (Acrylonitrile butadiene styrene), Makrolon® / Polycarbonate (PC) and PLEXIGLAS®/ acrylic glass.
- Also applicable on chrome and brass tapware.
- Do not use on marble or other acid-sensitive materials.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.
