

# SANET zitrotan F

## Sanitary cleaner

## Sustainability Information

### Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/382)
- Developed to fulfill the Austrian Ecolabel
- Certified with the Nordic Ecolabel (5026-0250)
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- 87% of organic carbon processed in SANET zitrotan F originates from renewable plant resources

### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SANET zitrotan F is formulated from readily biodegradable raw materials

### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sub>2</sub> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

### Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SANET zitrotan F

## Sanitary cleaner

High performance | Natural power of lemon | Perfume & dye free

### Product profile

- SANET zitrotan F is an acid sanitary maintenance cleaner, which contains no colour or perfume. Respecting biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, SANET zitrotan F shows outstanding cleaning performance in low use concentrations and effectively removes lime scale, lime soap, water stains and dirt using the natural acid of lemons.
- Due to its viscous formulation, SANET zitrotan F enhances strong adhesion and increased contact time on surfaces providing exceptional cleaning results, leaving surfaces free of streaks and clouding.
- Majorly composed of renewable resources and by the complete waiving of perfume and dye, SANET zitrotan F takes on the responsibility for future generations.

### Area of application

- SANET zitrotan F is suitable for the use on all acid-resistant surfaces in the sanitary area.
- Do not use on marble or other acid sensitive materials.

### Ingredients, handling, storage and environmental instructions
