SOFT fresh CF protect

Fabric softener with anti-pilling effect and color protection

100% European plant-based | Re-new effect | Revitalisation of color

Product profile

- SOFT fresh CF protect contains surfactants mainly from European cultivation, such as rapeseed and sunflower oil, enhancing environmental responsibility, while making the linen silky and soft.
- SOFT fresh CF protect with Re-new effect offers high fibre care and revitalization of the color for natural fibres.
- SOFT fresh CF protect significantly extend the life span of the fibres.
- Thanks to the cationic surfactants used, SOFT fresh CF protect allows to remove static electricity on linen while enabling a quick and easy ironing and leaving the laundry velvety soft.
- The fragrance in SOFT fresh CF protect provides long-lasting freshness.
- The use of a dryer is recommended.

Area of application

- To be used for finishing of textiles in the washing machine.
- Insert SOFT fresh CF protect in the final rinse with a pump or in the fabric softener chambre
