**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SOFT provence

## Fabric softener for last rinse

100% European plant-based | Anti-static effect | Fresh lavender fragrance

### Product profile

- SOFT provence is composed of 100% European plant-based surfactants, enhancing environmental responsibility, while making the linen silky and soft.
- Thanks to its formula full of cationic agents, SOFT provence allows to remove static electricity on linen while enabling a quick and easy ironing and leaving the laundry velvety soft.
- SOFT provence has a fresh lavender perfume that will last on linen.

### Area of application

- To be used for finishing of textiles in the washing machine.
- Insert SOFT provence in the final rinse with a pump or in the fabric softener machine drawer.
