

# SOLUS oxydet

Active-oxygen pre-spotter for colored stains

## Sustainability Information

### Sustainable Contribution

- Certified with the European Ecolabel (AT/039/003)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- 55% of organic carbon processed in SOLUS oxydet originates from renewable plant resources

### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- SOLUS oxydet is formulated from readily biodegradable raw materials

### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sub>2</sub> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

### Product certificates

### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# SOLUS oxydet

## Active-oxygen pre-spotter for colored stains

Easy to use | Chlorine-free | Efficient stain remover

### Product profile

- The combination of biodegradable surfactants and hydrogen enables an effective removal of colored stains and contributes to an efficient washing result.
- SOLUS oxydet contains no chlorine, bleaching agents nor optical brighteners which makes it suitable for all types of textiles, including delicate and colored fabrics.
- Mainly composed of renewable sources, SOLUS oxydet takes on the responsibility for future generations.

### Area of application

- Spray SOLUS oxydet before washing directly onto the stains.
- Do not let pre-treated stains dry in again before washing process.
- In case of usage on delicate fabrics, please test the compatibility on a covered part of the fabric.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Product variants

**715970** - 10x 750 ml

**pH value**

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**concentrated**

**Application area:**  
Developed for professional laundries.
