

TANET dayKliks

High-concentrated floor and surface cleaner

Sustainability Information

Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/385)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- TANET dayKliks is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO² and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

TANET dayKliks

High-concentrated floor and surface cleaner

Economical | High wetting properties | Safe application

Product profile

- Includes innovative formulation with exclusive surfactant backbone with exceptional wetting, dispersing and cleaning properties.
- Maintenance cleaner with high wetting properties and perfect cleaning results for floors, surfaces and glass.
- TANET dayKLIKS ensures easy and efficient removal of dirt and grease from different kinds of floorings such as porous stone floors or hydrophobic PUR surfaces. It leaves a refreshing scent of grapefruit when in use.
- Thanks to its fast action characteristics long lasting results are ensured with a minimum of effort needed.
- The product is easy to use, safe, cost and space saving thanks to its concentrated formulation and dosing concept.

Area of application

- TANET dayKLIKS is ideally suitable for use on all water-resistant floors (e.g. stone, rubber, linoleum, PVC, PUR etc.) and especially for floorings with acrylic floor polishes, and for all washable surfaces (e.g. plastic, glass, ceramics, metal and varnish).
- To be used in combination with a dosing system to ensure a safe and accurate usage.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Product variants

715259 - 2 x 2 l

pH value
