EcoVadis: Provider of business sustainability ratings

TANET karacho

Surfactant-free All Purpose Cleaner

Universal applicability | Increased user safety | Low cost-in-use

pH value

Product profile

- TANET karacho is exceptionally material and environmental friendly, due to the waiving of surfactants, enzymes and optical bleach, which even makes it suitable for cleaning carpets, textile surfaces and upholstered furniture. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, the extraordinary power of TANET karacho assures outstanding cleaning performance in versatile areas of application with minimal efforts. It easily removes stubborn dirt, grease and grime in low use concentrations saving time and costs.
- Majorly composed of renewable resources, TANET karacho takes on the responsibility for future generations.

Area of application

- TANET karacho is an universal cleaner suitable for manual and mechanical cleaning of all water-resistant surfaces and floors such as PVC, linoleum, rubber, stone, especially micro-porous stones, for instance fine ceramic tiles or impregnated stone flooring. It is also suitable for cleaning carpets, textile surfaces, upholstered furniture and mineral fibre ceilings.
