EcoVadis: Provider of business sustainability ratings

TANET multiclean

Ready-to-use all purpose cleaner

Quick-drying | Long-lasting scent | Antistatic

Product profile

- The time- and cost-saving TANET multiclean is a ready-to-use and versatile all-purpose cleaner which removes all types of dirt.
- The special combination of ingredients combines wetting capacity with a convincing cleaning performance of all smooth surfaces, incl. stainless-steel, for a well-treated appearance.
- TANET multiclean removes finger prints, nicotine residues, grease and ink spots, pen and felt-
- The quick-drying-formula guarantees shiny surfaces and makes them usable again after the shortest time.
- The material-friendly cleaning of TANET multiclean prevents streaks or residues, keeps the surface's original shine.
- TANET multiclean leaves a long-lasting pleasant scent and gives a comfortable feeling of cleanness and freshness.
- The antistatic effect also leads to less dust binding.

Area of application

- TANET multiclean is perfectly suited for the daily maintenance cleaning of all washable, smooth and shiny surfaces made of plastic, varnish, glass, ceramic and metal in office buildings, schools, hotels, or catering. Recommandable for the cleaning of doors, desks, cupboards, window benches, stainless-steel and soiled glass surfaces.
- The product can be used on PLEXIGLAS[®] / acrylic glass.
