

# TANET SR 13

## Alcohol cleaner

### Sustainability Information

#### Sustainable Contribution

- Certified with the European Ecolabel (DE/020/385)
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- TANET SR 13 with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- TANET SR 13 is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sub>2</sub> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# TANET SR 13

## Alcohol cleaner

High performing | Streak-free | Pleasant scent

### Product profile

- TANET SR 13 provides a high cleaning performance in low use concentration.
- It is gentle to materials, keeps the surface's original appearance, leaving no streaks and stripes after cleaning.
- TANET SR 13 is a residue-free product which has both versatile and easy application and leads to perfect results.
- It requires no rework, therefore it is time saving and low cost-in-use.
- It leaves a pleasant scent.

### Area of application

- Suitable for all water-resistant flooring types ( linoleum, PVC, stone, etc.), even for waterproof self-shineemulsion or dispersion films.
- Moreover, for all washable, smooth and shiny plastic surfaces, paint, glass, ceramic, metal.
- Do not use on unsealed wooden surfaces.
