EcoVadis: Provider of business sustainability ratings

TANET SR 15 F

High performance floor- and surface cleaner

High wetting | Perfect cleaning results | Perfume & dye free

Product profile

- TANET SR15 F is a powerful maintenance floor and surface cleaner, which contains no perfume or dye, with exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, the extraordinary power of TANET SR15 F assures at low use concentration outstanding cleaning performance with minimal efforts and costs.
- Its good wetting properties ensure easy and thorough removal of dirt and grease from porous stone floors and even from hydrophobic surfaces such as PUR, leaving no streaks or stripes.
- Majorly composed of renewable resources and by the complete waiving of perfume and dye, TANET SR15 F takes on the responsibility for future generations.

Area of application

- TANET SR15 F is suitable for all water-resistant floors such as stone, rubber, linoleum, PVC, PUR, etc..
- Particularly suitable for flooring with acrylic floor polishes, and for all washable surfaces such as plastic, glass, ceramics, metal and varnish.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.
