

# TANET SR 15

## High performance floor- and surface cleaner

### Sustainability Information

#### Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/385)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- 61% of organic carbon processed in TANET SR 15 originates from renewable plant resources

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- TANET SR 15 is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# TANET SR 15

## High performance floor- and surface cleaner

High wetting properties | Perfect cleaning results | Low cost-in-use

### Product profile

- TANET SR 15 is a powerful maintenance floor and surface cleaner with exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, the extraordinary power of TANET SR 15 assures at a low use concentration outstanding cleaning performance with minimal efforts and costs.
- The good wetting properties ensure easy and thorough removal of dirt and grease from porous stone floors and even from hydrophobic surfaces such as PUR, leaving no streaks or stripes.
- Majorly composed of renewable resources, TANET SR 15 takes on the responsibility for future generations.

### Area of application

- TANET SR 15 is suitable for all water-resistant floors such as stone, rubber, linoleum, PVC, PUR etc.
- Particularly suitable for flooring with acrylic floor polishes, and for all washable surfaces such as plastic, glass, ceramics, metal and varnish.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Product variants

**712479** - 10 x 1 l

**712480** - 2 x 5 l

**712481** - 1 x 200 l

pH value

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**2,5-7,5 ml/l**

**Manual floor cleaning:**  
Mop the floor with a clean mop.

**Surface cleaning:**

Wipe the surface wet or damp with a clean cloth.

**5-25 ml/l**

**Spray bottle:**

Spray onto a clean cloth and wipe the surface.

**2,5 ml/l**

**Open floor surfaces:**

Can be applied in auto scrubbers.
