

TANEX allround

4 in 1 power cleaner

Sustainability Information

Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/385)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of 'DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- TANEX allround with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- TANEX allround is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO² and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

TANEX allround

4 in 1 power cleaner

Versatile | Excellent wetting | Powerful

pH value

Product profile

- The pleasantly scented TANEX allround is a highly wetting and low alkaline 4 in 1 power cleaner to clean all kinds of water resistant floorings and surfaces.
- **Daily maintenance cleaning:** Due to its low alkaline formulation, TANEX allround is ideally suited for daily maintenance cleaning even of highly soiled areas.
- **Intensive cleaning:** In case of higher dirt build-up TANEX allround can be used as an effective intensive cleaner.
- **Cleaning prior to handover:** The powerful TANEX allround is also ideal for cleaning prior to handover and to remove production residues on new floorings.
- **Reconstruction of polishes:** TANEX allround allows cleaning of worn polymer polishes in order to reconstruct a homogenous surface through a consecutive application of new layers.
- With its low foaming properties TANEX allround is suited for the use in auto-scrubbers.

Area of application

- TANEX allround is ideally suitable for use on all water resistant surfaces and all elastic floorings, natural and artificial stones, concretes and polish protected floorings. Do not use on unsealed wood and acrylic glass.

*Reconstruction (See application on the right): For maximum compatibility use a red pad.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Sales units:

1313327 - 10 x 1 l

1213328 - 2 x 5 l
