TAWIP vioclean F

Floor cleaner and -care

Increased user safety | High slip-resistance | Perfume & dye free

Product profile

- TAWIP vioclean F is a floor cleaner with extra care effect and exceptional environmental properties, which contains no perfume or dye. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing work safety, TAWIP vioclean F assures perfect cleaning results at low use concentration.
- The natural coconut fat soap in the formula protects floors from leaching effects and leaves a protective film with antistatic effect, reducing the danger of slipping in compliance with DIN 18032-2.
- Majorly composed of renewable resources and by the complete waiving of perfume and dye, TAWIP vioclean F takes on the responsibility for future generations.

Area of application

- TAWIP vioclean F is ideally suitable for mechanical and manual maintenance cleaning of all water-resistant floors in objects demanding highest floor care and slip resistance. Perfectly suitable for use on PVC, linoleum, rubber, stone as well as oiled and waxed wooden floors, e.g. in schools, nursing homes, administrative buildings or gymnasiums.
- Do not use on unsealed wooden flooring.
- TAWIP vioclean F is the ideal cleaner for large areas, e.g. airports, underground railway stations, retail stores, supermarkets, shopping malls or DIY stores.
