DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

TAWIP vioclean

Floor cleaner & care

Increased user safety | High slip-resistance | Low cost-in-use

Product profile

- TAWIP vioclean is a floor cleaner with extra care effect and exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing work safety, TAWIP vioclean assures perfect cleaning results at low use concentration.
- The natural coconut fat soap in the formula protects floors from leaching effects and leaves a protective film with antistatic effect, reducing the danger of slipping in compliance with DIN 18032-2.
- Majorly composed of renewable resources, TAWIP vioclean takes on the responsibility for future generations.

Area of application

- TAWIP vioclean is ideally suitable for mechanical and manual maintenance cleaning of all water-resistant floors in objects demanding highest floor care and slip resistance. Perfectly suitable for use on PVC, linoleum, rubber, stone as well as oiled and waxed wooden floors, e.g. in schools, nursing homes, administrative buildings or gymnasiums.
- Do not use on unsealed wooden flooring.
- TAWIP vioclean is the ideal cleaner for large areas, e.g. airports, underground railway stations, retail stores, supermarkets, shopping malls or DIY stores.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

Product variants

712484 - 10 x 1 l

712485 - 2 x 5 l

1112484 - 10 x 1 l

pH value

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Maintenance cleaning:
Mop the floor with a clean mop.

2,5-7,5 ml/l

Open floor surfaces:
Can be applied in auto scrubbers.

Spray cleaning:
Spray thinly and evenly on the floor, treat with a single disk machine.

25 ml/l

Initial care:
With soil-release-effect: wetwipe the uncoated floor. Polish afterdrying.
