

Sustainable Contribution

- $\bullet\,$ Certified with Cradle to Cradle Certified $^{\mbox{\scriptsize (B)}}$ Gold
- Registered in the positive list of ,DIE UMWELTBERATUNG'
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- 59% of organic carbon processed in TAWIP vioSwitch originates from renewable plant resources

Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAScertified plants in Mainz and Hallein in compliance with the highest quality standards

Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- TAWIP vioSwitch is formulated from readily biodegradable raw materials

Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO² and crude oil can be saved with Green Care Professional products, visit: get.wmprof.com

Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

Product certificates

Cradle to Cradle Certified[®] is a registered trademark of the Cradle to Cradle Products Innovation Institute.

Company certificates of Management Systems

EMAS: Most demanding system for sustainable environmental

DIN ISO 14001: Internationally recognized environmental management system

DIN ISO 50001: Internationally recognized energy management system

DIN ISO 9001: Internationally recognized quality management system

EcoVadis: Provider of business sustainability ratings

TAWIP vioSwitch

Ultraconcentrated floor cleaner and -care

Exact dosing | Safe application | Reduce, Reuse, Recycle

Product profile

- The natural coconut fat soap in the formula protects floors from leaching effects and leaves a
 protective film with antistatic effect, reducing the danger of slipping in complicance with DIN
 18032-2.
- The highly concentrated formulation makes a cost-efficient use possible.
- TAWIP vioSwitch is part of the Switch system, that combines dosing and refilling.
- TAWIP vioSwitch comes in a highly sustainable bottle and Switch dosing cap made of 100% Post Consumer Recyclate allowing accurate and safe dosing while avoiding direct product contact.
- Thanks to the 1L mono-material Cradle to Cradle® Gold pouch, the bottle can be refilled again and again.
- Classification in use concentration: 5ml/4L; 5ml/0,75L:, Not a hazardous substance or mixture according to Regulation (EC) No. 1272/2008.

Area of application

- TAWIP vioSwitch is ideally suitable for mechanical and manual maintenance cleaning of all water-resistant floors in objects demanding highest floor care and slip resistance. Perfectly suitable for use on PVC, linoleum, rubber, stone as well as oiled and waxed wooden floors, e.g. in schools, nursing homes, administrative buildings or gymnasiums.
- Do not use on unsealed wooden flooring.

Ingredients, handling, storage and environmental instructions
