## Toilet bowl cleaner lemon

### Sustainability Information

#### Sustainable Contribution

- Certified with Cradle to Cradle Certified® Gold
- Certified with the European Ecolabel (DE/020/031)
- Developed to fulfill the Austrian Ecolabel
- Registered in the positive list of ‚DIE UMWELTBERATUNG‘
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration
- With surfactants of renewable plant-based origin
- WC lemon with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard

#### Quality & Performance

- More than 30 years of experience in the development of high-performance and integrally sustainable cleaning concepts.
- Our Green Care Professional products are produced exclusively in the EMAS-certified plants in Mainz and Hallein in compliance with the highest quality standards

#### Safe for humans & environment

- Our formulas and packaging are safe for humans and nature as well as biological and technical cycles when used properly
- WC lemon is formulated from readily biodegradable raw materials

#### Circular cleaning products

- Production with intensive use of renewable raw materials and energy up to 100% from hydropower, solar and geothermal power
- To find out how much plastic, CO<sup>2</sup> and crude oil can be saved with Green Care Professional products, visit: [get.wmprof.com](http://get.wmprof.com)

#### Sustainable profitability

- Our intelligent systems and efficient formulas enable precise and economical dosing as well as complete emptying of the packaging
- Comprehensive and consistently practiced philosophy of sustainable management

#### Comprehensive Service

- As a strategic partner, we offer comprehensive know-how transfer through holistic consulting and support as part of our Green Care Academy
- Customized hygiene plans and cleaning recommendations optimizing your cleaning procedures and thus your business

#### Product certificates

Cradle to Cradle Certified® is a registered trademark of the Cradle to Cradle Products Innovation Institute.

#### Company certificates of Management Systems

**EMAS:** Most demanding system for sustainable environmental

**DIN ISO 14001:** Internationally recognized environmental management system

**DIN ISO 50001:** Internationally recognized energy management system

**DIN ISO 9001:** Internationally recognized quality management system

**EcoVadis:** Provider of business sustainability ratings

# WC lemon

## Toilet bowl cleaner lemon

Viscous consistency | Easy-to-use | Safe application

### Product profile

- WC lemon is an acid toilet bowl cleaner, which effectively uses the natural acid of lemons. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, WC lemon shows outstanding cleaning performance due to its viscous formulation and effectively removes all common soils from urinals and toilet bowls.
- The special bottle with angled neck assures a fast, direct, easy and safe application.
- Majorly composed of renewable resources, WC lemon takes on the responsibility for future generations.

### Area of application

- WC lemon is suitable for the cleaning of all toilet bowl, urinal and bidet facilities.

### Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserve for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.

### Sales units:

**712510** - 10 x 750 ml

**713291** - 1x 750 ml

**1113291** - 1x 750 ml

pH value

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**concentrated**

#### Maintenance cleaning

Apply directly into the bowl and under the edge. Leave for a few minutes (overnight for persistent soiling), brush it briefly and rinse.
