**DIN ISO 9001**: Internationally recognized quality management system

**EcoVadis**: Provider of business sustainability ratings

# **WC** mint

# Toilet bowl cleaner mint

Viscous consistency | Easy-to-use | Safe application

## **Product profile**

- WC mint is an acid toilet bowl cleaner, which effectively uses natural acid. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, WC mint shows outstanding cleaning performance due to its viscous formulation and effectively removes all common soils from urinals and toilet bowls.
- The special bottle with angled neck assures a fast, direct, easy and safe application.
- WC mint eliminates unpleasant odors and provides a long-lasting scent of fresh mint extracts.
- Majorly composed of renewable resources, WC mint takes on the responsibility for future generations.

#### Area of application

• WC mint is suitable for the cleaning of all toilet bowl, urinal and bidet facilities.

# Ingredients, handling, storage and environmental instructions
