

# APESIN C400

## Chlorine based industrial liquid disinfecting foam cleaner

Disinfection and cleaning | Polyvalent

### Technical Information

#### Product profile

- APESIN C400 cleans and disinfects in one step allowing fast and secure cleaning results and rapidly re-usable working areas.
- Its chlorine-based composition provides highest degreasing and bleaching results and ensures reliable and discrete results.
- APESIN C400 is a polyvalent applicable with a broad range of devices such as spray pumps, foam pumps, brushes and high pressure cleaners allowing a versatile application.

#### Area of application

- APESIN C400 is a chlorine-based disinfecting industrial foam cleaner for all surfaces (excluding aluminium and non-ferrous metals) within food processing areas such as canteens, kitchens or food industry with a broad biocidal spectrum.
- APESIN C400 is specially recommended for anti-slip floors respecting floor manufacturer and working safety requirements.

#### Product variants

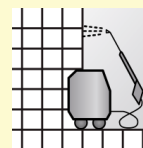

714535 - 2 x 5 l

pH value

### Application and Dosing

# APESIN C400

Surface Disinfection: Food area / industrial & institutional area			contact time			
	temperature		5 min.	10min.	15 min.	30 min.
<b>bactericidal + yeasticidal activity</b>						
EN 1276 + EN 1650 + EN 13697	20°C	high organic load			3,0%	

			contact time			
	temperature		5 min.	10 min.	15 min.	30 min.
<b>virucidal activity</b>						
EN 14476 (full spectrum)	20°C	low organic load		5,0%		
<b>EN 14476 individual test organisms</b>						
Adenovirus	20°C	low organic load		5,0%		
Norovirus	20°C	low organic load		5,0%		
Parvovirus	50°C	low organic load		2,0%		
Poliovirus	20°C	low organic load		5,0%		

## Ingredient declaration

Ingredients per 100g: 3,4g SODIUM HYPOCHLORITE, <5% non-ionic surfactants, <5% Phosphonates

## Handling, storage and environmental instructions

Product strictly reserved for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet. Use biocidal products with care. Always read label and product information before use.
