

ACTIV fresh

Concentrated complete detergent

Enzymatic | Fresh fragrance | All water types

Technical Information

Product profile

- Due to its high concentration in surfactants and enzymes, ACTIV fresh enables an outstanding washing efficiency at all temperatures.
- The active combination of its sequestering agents and soaps allows to assure a good anti-scale and anti-greying action in any type of water.
- With its fluid formula, ACTIV fresh is especially designed to be used with an automatic dosing equipment. It can be used alone or in combination with additives (SYSTEM range).
- ACTIV fresh is suitable for all types of textiles and its citrus perfume leaves the linen with a fresh, nice and tonic odor.

Area of application

- Suitable for all types of laundry and any types of water.
- Use with an automatic dosing system.
