

BRILLANT soft

Rinse aid for soft water

Low dosage | Less foaming | Especially for soft water

Technical Information

Product profile

- BRILLANT soft reduces drying time and leaves shining dishes and cutlery through its combination of surfactants and alcohol.
- Since no polishing or extra drying is necessary, BRILLANT soft allows costs saving and a fast reuse of the material.
- BRILLANT soft prevents the deposit of lime scale on utensils and neutralises the alkaline residues on the dishes for uniform results.
- BRILLANT soft is best suitable for soft and softened water.

Area of application

- Suitable for all types of dishwashers.

Ingredients, handling, storage and environmental instructions
