

# NOWA FLA 710 S

## All purpose industrial cleaner

Versatile degreaser | Multi surfaces | For auto-scrubbers

### Technical Information

#### Product profile

- NOWA FLA 710 S is a powerful and versatile degreaser which removes stubborn soiling such as oil, grease, fat, resin and coking.
- The product prevents micro-particles to adhere on surfaces.
- NOWA FLA 710 quickly separates in oil separators, which makes it perfectly suitable for industrial use.
- (Ö-Norm B 5105)

#### Area of application

- Can be used on all tool parts, aggregates and machine fixtures made of steel, iron, zinc and silver as well as on glass, plastic, painted and varnished surfaces.
- Particularly suitable for production equipment in the food-processing and food-producing industry.
- Can be worked very well in cleaning machines.
- Suitable for immersion bath cleaner and automatic cleaning systems.
