

NOWA RHE 720

Liquid smoke stain remover

High-performance | Versatile | Compact foam

Technical Information

Product profile

- NOWA RHE 720 effortlessly dissolves stubborn dirt such as tar and resin residues, grease and protein soiling.
- It is perfectly suitable for the use in high and low pressure devices.
- NOWA RHE 720 provides a stable and compact foam in application which allows a good adhesion, even on vertical surfaces, enabling a longer, better and more effective contact time.

Area of application

- For cleaning all kinds of surfaces that are largely tolerant to alkaline products in food-processing locations and food-curing facilities.
- Applicable on e.g. abattoirs, bakeries, food-smoking/curing operations, canteens, etc. In food-curing facilities it can be used on smoking frames, curing bars, etc. But also on tiles, floors, doors, etc.
- ATTENTION! Harmful on aluminum, brass and copper (attacks non-ferrous metals!)
