

NOWA SLR 600

Industrial acid foam cleaner

High performance | Persistent foam | Material-safe

Technical Information

Product profile

- NOWA SLR 600 is a foam descaler for versatile application areas, e.g. removal of grease, water scale, lime soap, incrustated dirt, rust and other mineral soiling.
- NOWA SLR 600 leaves no corrosion damage on sound chrome-plated taps and fittings, keeping surfaces in their original condition.

Area of application

- For cleaning largely acid-resistant materials e.g. in storerooms, food processing areas, kitchens, etc. Also ideal for washrooms and shower areas.
- Ideal for usage in high and low-pressure equipment.
- Check material compatibility before applying product. Not suitable for marble, copper and aluminum.

Ingredients, handling, storage and environmental instructions

For the ingredients list, please see the Safety Data Sheet. Product strictly reserved for a professional use. For all information regarding handling, storage conditions and disposal, please see the Safety Data Sheet.
