

QUICKSTRIP alka

Extra-strong stripper for alkaline-resistant floor

High-performance | Good degreasing ability | Pleasant smell

Technical Information

Product profile

- QUICKSTRIP alka is a particularly high performance deep cleaner with good stripping and degreasing abilities.
- QUICKSTRIP alka has a low foaming formula and a pleasant fragrance.
- With the help of QUICKSTRIP alka it is possible to quickly remove old, multilevel wax layers, polymer films and stubborn dirt incrustations.
- QUICKSTRIP alka is an efficient problem solver and can be used in multiple ways.

Area of application

- For deep cleaning of all water and alkaline-resistant floorings.
- Do not apply on unsealed wood floorings, linoleum and not on colour sensitive surfaces.
- Also for removal of soilings within kitchen, factories and workshop areas caused by oil and fat contaminations.
